

PRE-SCHOOL & KINDERGARTEN

We believe that children are a gift from God. We recognize that each child has a different learning style and is a unique individual who develops at a different rate. Our approach to education is developmentally-based. We provide a safe and nurturing environment that promotes the spiritual, intellectual, physical, emotional and social growth of children.

For more information, please contact **Sandy Schanker, Director**, ext. 241.

YOU have what it takes . . . to Connect Kids to CHRIST!

Teaching kids is about living the lesson we most want them to learn ~ God loves them.

In only one hour per week, you will form a special relationship with a child that will be a lasting investment in the future. We provide training, resources, and support to help ensure that you are prepared.

This life-changing love of Jesus Christ is best communicated to children through regular contact with caring, dedicated, and godly adults. You will be amazed how serving can bless your life.

Make a difference ~ get involved by serving our children, and let God do His work through you!

NURSERY

We have four Nursery rooms to serve you. It is our desire that our Nursery will serve as an extension of your home, providing loving care and security for your child. For more information pick up our Nursery brochure at our Information Centers, or please contact **Tracy Tucker, ext. 285.**

EARLY CHILDHOOD

Children, two years through kindergarten, make up our early childhood division. Children are taught Bible stories, songs of praise, introduced to Scripture memorization, and encouraged to pray and give thanks. For more information for **Sundays** please contact, **Wendy Holden, ext. 228**, and for **Saturdays** please contact **Stacey Eslinger, ext. 306.**

ELEMENTARY (1st through 4th Grade)

Children in these classes are given opportunities to know God personally and to grow in Him through Bible Study, learning activities and memorization of Scriptures. Small and large group situations provide them with examples of how to live a life pleasing to God. All classes join together for a music and praise time during all church services. For more information, for **Sundays** please contact, **Wendy Holden, ext. 228**, and for **Saturdays** please contact **Stacey Eslinger, ext. 306.**

PRE-TEENS (5th and 6th Grade)

Fifth and sixth graders have many questions to ask about their faith and have a need to know how it applies to their everyday lives. Our teaching is specifically geared to address these issues. We do this through large group teaching and small group activities where students can really interact with their leaders and peers. 5th and 6th graders meet downstairs in the main building (with other grades) during the Saturday evening service, and in the SHED Basement in rooms B5-6 during the 8:45 and 10:45 a.m. services on Sunday. For more information, please contact **Wendy Holden, ext. 228.**

AWANA Club

During the months of September through April, an exciting Tuesday night program is held for children three years old through sixth grade. AWANA is an international club that emphasizes a personal relationship with God through knowing His Word. Each Tuesday night the program includes recitation of verses, playing games, and listening to a topical message that is geared to issues that kids face each week. This high-energy program turns Scripture memory into fun. Look for the AWANA brochure at the Information Center, or contact **Stephanie Truong, ext. 328.**

**"Teach me your way, O Lord,
and I will walk in Your Truth."

Children may be dedicated during our Saturday or Sunday services. After the Service a reception will be held for you, your family, and friends in the Fireside Room. For more information, please contact **Tracy Tucker, ext. 285.**
